INFORMATION

"Elevate delivers real ROI. It connects me directly with decision-makers and creates space for genuine, ongoing relationships, not just quick sales conversations. The exposure and credibility I've gained as a thought leader continue to open doors long after the conference ends." – Justin Kelly, Fifth and Broad

A GATHERING FOR INDEPENDENT SCHOOL COMMUNICATION PROFESSIONALS.

Elevate Conference is an exclusive event for communication, marketing, and creative professionals in independent schools. With attendance capped at 50 participants, attendees represent the decision-makers who shape enrollment, communications, and brand strategy. This mastermind-style gathering not only provides solutions to significant issues but also inspires participants to elevate their skills and work. All of this underscores our mission of creating an environment of community, growth and renewal.

The fourth annual Elevate Conference took place in June of 2025 at The First Academy in Orlando, Florida and welcomed **48 participants from 26 different schools across 12 states**. Attendees consistently praise the format for its authenticity, accessibility, and lasting professional value. Past locations include: Brentwood Academy and Lipscomb Academy in Nashville and Santa Fe Christian School in San Diego.
